Need money for college next year?

We can help with that! This year we will have two FAFSA workshops to help you complete and submit your FAFSA. Financial aid experts will be on hand to help you fill out your FAFSA and to answer questions about state and federal financial aid (including grants, loans, HOPE, & TN Promise). **Any senior who is considering attending a technical/trade college, a two-year college, or a four-year college should attend one of these workshops.** Parents and guardians are also strongly encouraged to attend one of these workshops with their senior.

Seniors and their parents or guardians should bring the following if possible:

This information is helpful to complete the FAFSA, but it is not required to attend this event.
